The 21st Annual Jr Dragster Shootout at Farmington Dragway is quickly approaching and we would like to extend to you this invitation to join a list of great marketing partners that have given so generously to make this the most anticipated race of the year for over 20 years. As many as 125 Jr Dragster drivers (Ages 8-18) and their families have come from eight different states to participate in the Farmington Dragway JR Dragster Shootout.

Saturday's racing starts at 10:00am with qualifying then eliminations. There are four different classes for Jr's. The winner from each of the four classes will have a run off for "Grand Champion", who will be featured on the event T-shirt the following year.
